

REMARKS

Claims 1-11 are currently pending in this Application. Applicant respectfully thanks the Examiner for indicating the allowed subject matter of claims 1-8, and the allowable subject matter of claims 9-11. Claim 9 is amended with this Response.

Claim Rejections Under 35 U.S.C. §112, second paragraph

Claims 9-11 are rejected under 35 U.S.C. §112, second paragraph for allegedly being indefinite. The Examiner specifically alleges that claim 9 includes an omitted step of “establishing an inspection scheme in predetermined settings with respective test instruments thereof to be used for determining the non-destructive inspection.” In response, Applicant respectfully amends claim 9 to include this element.

Conclusion

All of the objections and rejections are herein overcome. In view of the foregoing, it is respectfully submitted that the instant application is in condition for allowance. No new matter is added by way of the present Amendments and Remarks, as support is found throughout the original filed specification, claims and drawings. Prompt issuance of Notice of Allowance is respectfully requested.
